

# No Insurance Policy Offers Benefits Like Your Maruti Insurance

## Near cashless accident claims across the vast network of Maruti Suzuki

No need to pay full repair charges & subsequently chase the Insurance company for claim settlement

1 What is payable by the Insurance company is not charged to you at all-You just pay what is payable on the customer's part as per your policy terms/ according to Indian Motor Tariff. The repaired vehicle is then delivered to you. The repairer and the Insurance company sort out the rest.

This benefit is available to you at all Maruti Suzuki dealerships, across 300 cities nationwide.
